Whitechurch Board of Management

Agreed report 24/4/2024

Special class

Whitechurch NS is delighted to announce the provision of a special class in our school, which will open from the 2024/2025 school year. This will see our existing library be converted back into a classroom. We will also be developing a sensory room and relocating our library. The sanctioning of a special class also means there will be an extra teacher in the school and up to two special needs assistants.

Mainstream SNA

We are also pleased to announce we have been successful in our application for a mainstream special needs assistant.

School calendar 2024/2025

Children will return to school Wednesday August 28th and the final day of the school year will be Tuesday June 24th 2025. Full calendar will be circulated in due course.
